

## DEPARTMENT OF ARABIC

قسم اللغة العربية

### VISION

We envision a department that leads the campus and the region as the centre of cross disciplinary exchange and programming and ranks as an acknowledged innovator in research and teaching in the Literature and Humanities especially Arabic and Sanskrit.

### MISSION

- To create global citizens equipped to assess received opinion, make independent judgment and value the transforming power of imagination working in tune with vision and mission of the university.
- To achieve distinction in qualifying specialists in Arabic language studies who are able to contribute to their nation for the development of society, maintaining the identity and enhancing the Arabic language by adapting it to the spirit of the modern age.
- To prepare the students to grab better professions and job opportunities inside and outside the country especially in Arabic countries.
- To enable them to achieve Arabic related academic and non-academic jobs in private and public sectors of Kerala.
