Action Taken Report

AY – 2018-19

SREE SANKARACHARYA UNIVERSITY OF SANSKRIT, KALADY

Stakeholders Feedback and Action Taken Report for the AY – 2018-19

| Sl. No.	Feedback	Action Taken
1.	Pre-defined learning outcomes	University introduced Outcome Based Teaching Learning and Evaluation (OBTLE) across all PG and UG programmes Programme Outcomes (POs) of SSUS for PG Programmes PO1. Critical Thinking: Take informed actions after identifying the assumptions that frame our thinking and actions, checking out the degree to which these assumptions are accurate and valid, and looking at our ideas and decisions (intellectual, organizational, and personal) from different perspectives. PO2. Communication: Listen, read, comprehend, speak and write clearly and effectively in person and through electronic media in English/regional language/language of the discipline and exhibit sound domain knowledge including academic concepts and terminologies. PO3. Self-directed and Life-long Learning: Engage in independent and lifelong learning in the broadest context of socio-technological changes. PO4. Ethics: Understand different value systems including one's own, as also the moral dimensions of actions, and accept responsibility for it.
2.	Introduction of more interdisciplinary courses	More number of interdisciplinary courses introduced to all PG programmes in the new Outcome Based Teaching Learning and Evaluation (OBTLE) syllabus introduced by the University in the AY 2019. The same action have been taken in the case of all UG

		programmes with the introduction of new OBTLE syllabus.
