REGISTRAR

The Vice Chancellor,
SreeSankaracharya University of Sanskrit, Kalady.

Sir,

Sub: Instituting **Pandit.SubbaramaPattar Endowment National Conference on New Horizons of Indological Research** in S.S.U.S., Kalady - reg
Ref: Discussion with Sri. R. Venkatakrishnan (Mumbai), family member of Sri SubbaramaPattar at the chamber of Pro Vice Chancellor, SSUS, Kalady.

With reference to the above, I had a discussion with Sri. R. Venkatakrishnan, the family member of Sri. SubbaramaPattar, a renowned Sanskrit scholar from Kerala, in April 2017 at SSUS, Kalady in the presence of Pro-Vice Chancellor. Sri.Venkatakrishnan, was very much interested to donate some amount to the University for the benefit of academic community.

During the discussion, a proposal for instituting a National/International Conference in the name of the great scholar, Sri.Subbarama Pattar, was placed before him and requested him to donate the sufficient amount expected for the conduct of the conference.

Accordingly he has agreed to deposit an amount of Rs. 15,00,000/- to the University for instituting the Endowment National Conference to be conducted every year using the annual interest accumulated on the amount mentioned above.

But the amount accumulated every year as interest for the fixed deposit of Rs. 15,00,000/- will not be sufficient enough for the smooth conduct of the national/International level conference. Therefore, it is suggested to contribute an equal amount of the interest amount as additional amount from the University for the conduct of the Conference.

Hence it is requested that this may be considered and necessary steps may be taken for instituting **Pandit SubbaramaPattar Endowment National Conference on New Horizons of Indological Research** in S.S.U.S., Kalady in 2017 itself.

Thanking you.
