ŚRĪ ŚANKARA ON
VARNAVYAVASTHĀ &
VEDIC RITUALISM
NEW PERSPECTIVES

The author convincingly establishes the fact that Sree Sankara was not only an academic philosopher but also an acclaimed social reformer. By explaining the texts in the light of his own methodology, he unravelled the blemishes of the then prevailing social situation, which paved the way for future social reformers to fight against them. He was made of different material and possessed the right disposition to enable him to carry out his life's unique mission.

C.Radhakrishnan

Dr. V. Vasanthakumari, MA. B.Ed, M.Phil., PhD., Professor in Vedanta, Sree Sankaracharya University of Sanskrit, Kalady. She published 3 Books, 40 Articles and presented 75 research topics in various international, national seminars and invited lectures. She has been undertaking research on Sri Sankara's works for the last 20 years. She is a Contributing editor of SriSankaraSarasvataSarvasvam.
