Disha Higher Studies Expo

Disha Higher Studies Expo – was conducted by the Career Guidance and Adolescent Counseling Cell of the Directorate of general Education Higher Studies Wing to along with the State Youth Festival from 27th November to 1st December 2019. The expo inaugurated by honorable Education Minister Prof. C Raveendranath with the presidential address by Mr. Jeevan Babu IAS. The Expo was to give an orientation and guidance to the higher secondary students and parents about the wide scope of the courses offered by the premier higher education institutions in India and their career prospects.

60 National and state level institutions under central and state government, participated in the Expo. The specialty of this expo was that the students had got the opportunity to familiarize with the different higher education programmes offered in India and ask their queries about the courses, admission time and about the campus directly to the representatives of the institute. The Expo also provided the facility of K-DAT (Kerala Differential Aptitude Test) to identify their aptitudes and the service of the experts for giving guidance for the disabled children. Disha had arranged Seminars of motivators and eminent personalities of the institutes to get updated on the current changes in various disciplines and newly introduced courses.

This year the Sree Sankaracharya University of Sanskrit also has participated under the banner of Career Guidance and Counseling Cell. Career counselor and one senior MSW student have represented the University in Disha. We had one stall in Disha with brochure which included detailed description of the University. We got enquiries about the campus and distinctive courses of our University, admission procedure and all. Approximately 5000 students visited the stalls every day, other than the teachers and parents. Through the participation in Disha, so may students, parents and the public could know about Sree Sankaracharya University Sanskrit and the different courses offered by the University. It was a great event to attract the vibrant and interested students to our University.

Disha was a golden opportunity for the students, especially for the village students of the Kanjagad , Kazargod district to familiarize with the prominent Universities and major Higher Education Institutions of state and National level .The institutional presentations and seminars of the eminent personalities were exquisite and at the same time very fruitful and motivational to the students to select a stream according to their aptitude. The co ordination of the programme was appreciable. The expo concluded on 1st December and at the time of closing ceremony revenue Minister Mr. E Chandrasekaran awarded participation memento to all institutes.
